Cookie Policy

Effective Date: January 5, 2025
Last Updated: January 5, 2025

Cryptica AB ("we," "our," "us") is committed to safeguarding your privacy. This Cookie Policy explains how we use cookies on our website and how you can manage your cookie preferences.

1. What are Cookies?

Cookies are small text files stored on your device when you visit a website. They are used to improve your browsing experience by remembering your preferences, such as your chosen language, or for other functional purposes. Cookies do not store personal information unless you provide it to us directly.

2. How We Use Cookies

Our website uses cookies strictly for operational purposes. Specifically, we use session cookies to remember your selected language preference while you navigate our site. These cookies are temporary and are deleted automatically when you close your browser.

We do not use cookies for tracking, analytics, marketing, or sharing data with third parties.

3. Types of Cookies Used

Session Cookies: These cookies are essential for the basic operation of our website. They store your language preference temporarily and are deleted once your session ends.

4. Managing Cookies

Since our website uses only essential session cookies, there is no need for consent banners or cookie preference settings. However, if you prefer, you can disable cookies entirely through your browser settings. Please note that disabling cookies may affect the functionality of our website, such as the ability to retain your language preference.

5. Third-Party Cookies

We do not use third-party cookies on our website. All cookies are first-party and are used solely for enhancing your browsing experience.

6. Updates to This Cookie Policy

This Cookie Policy may be updated periodically to reflect changes in our use of cookies or for compliance with legal requirements. The "Effective Date" at the top of this page indicates when the policy was last revised.
